River Acres Water Supply Corporation is pleased to offer Bank Draft, which is our automatic bank draft program. It is an easy way to pay your water bill without visiting our office, writing monthly checks, or paying postage charges. It's free of charge to our utility customers.

For information, contact us at:

(361) 387-2614

Here is how the program works:

- A bill for your monthly water service will be mailed to you each month showing the exact amount to be drafted from your bank account and the date the draft will be drawn.
- The amount of your monthly water bill then will be withdrawn automatically from your checking or savings account each month on the due date indicated on your utility bill.
- To participate in this program, you must have a checking or savings account at a bank, credit union or savings and loan institution. Please allow 30-60 days for this application to become effective.

Note: If you have more than one water utility account with the same name, all accounts will be drafted.

- To revoke this authority, the account holder must notify the River Acres Water Supply Corporation billing office, 15602 NW Blvd., Ste. H, Robstown, TX 78380, in writing of their intent to cancel. Please provide at least 30 days prior notification to cancel bank drafting.
- If drafts are returned insufficient at any time, a \$30.00 fee will be assessed on the account. RAWs Corp reserves the right to end this automatic bill payment service at any time after giving written notice of termination to the account holder. A second insufficient bank draft will result in termination of this program for the account holder/owner.
- To authorize the bank draft, complete the form on the left and return it along with a *voided check* to our billing office.
