CHLORINE CONVERSION PROGRAM TO BEGIN

May 15, 2020

Beginning May 16, 2020 through May 30, 2020 the Nueces County WCID #3 will begin Chlorine Conversion process and switch its disinfection treatment process from "chloramines" to "chlorine only".

During this time, you may expect taste and color changes that can result from this disinfection treatment switch. This is normal. We thank you for your patience during this time. If you have any questions, you may direct your questions to our business office at (361) 387-4549.
