1. 0-2,000 gallons are included with the monthly minimum	\$ 35.00
2. Usage between 2,000 – 38,000 is: \$4.50/1,000 (35.4 x 4.50)	\$ 159.30

## Billing Policies:

Water meters are read on or around the 15<sup>th</sup> of each month. Once all of the readings are collected and processed, a bill is generated and mailed to each account on or around the 28<sup>th</sup> of each month. The payment for that bill is then due on the 14<sup>th</sup> thereafter. Example: March 16<sup>th</sup> through April 15<sup>th</sup> billing will be due on May 14<sup>th</sup>. If the 14<sup>th</sup> falls on a weekend or holiday, then payment will be due on the next regular business day.
